Dear Parents,

Key Stage 2 Author Visit: Billy Bob Buttons

On Thursday 30th April, children's author Billy Bob Buttons will be visiting The Bluecoat School! Billy Bob Buttons is the author of several children's and young adult's books, including the *Felicity Brady* series, *Muffin Monster* and the hilarious, award-winning *I think I Murdered Miss*.

On the day, Billy Bob Buttons will be hosting writing workshops with Years 3 to 5 which will support their English and Creative Curriculum learning. Between these workshops, he will be holding a question and answer and reading session for selected classes and children.

At the end of the school day, there will also be a book signing opportunity. Children will be able to purchase Billy's books which he will then sign for them to take away and keep. The prices of these books range from between £6.95 to £14.95 and we will be providing each child with a £2 discount voucher off every book purchased. **There is no obligation to buy the books and this is very much parental choice.**

We very much look forward to this unique opportunity to welcome a published author to our school and appreciate your continued support with these exciting events at The Bluecoat School.

Kind Regards
