## KS2 Christmas Performance 2014 Stable Manners

Dear Parents/Carers

We have the first of our two performances of the KS2 production, Stable Manners this evening at 7pm. **All** children in KS2 have important roles to play in the production and will need to be back at school for between 6.30 and 6.40pm to get ready for the performance. Please bring your children to the main entrance where staff will be meeting them. If you are not attending this evening's performance, you will need to be back at school for 7.50pm to collect your child/children afterwards. **All children must be collected by adults at this time in the evening please.**

Pre-school children **will not** be able to go into the performance as previously advised. If you requested a crèche place for this performance, you will receive a ticket with this letter which you need to bring back with you this evening. **It will not be possible to use the crèche without a ticket as I have only arranged for sufficient staff to come back to school based on the number of places requested in advance.**

There are still some tickets available for tomorrow morning's performance so please either come into school or telephone to let us know if you would like any more.

I know all of the children are really excited about performing Stable Manners for you and I look forward to welcoming you either this evening or tomorrow morning at 10am.

Kind regards

Carol Hines  
Headteacher
