## **Running Club – Y5/6 Only**

Dear Parents

I am delighted to advise you that our after school running club for children in Y5/6 will start again after half-term. Mrs Susan Davys our business manager will be providing the club with the support of Mrs Lake. Both Mrs Davys and Mrs Lake enjoy running regularly for pleasure and to keep fit. They have both kindly offered to provide a weekly running club again for children in Y5/6 to enable children who wish to, to do the same!

The aim of the club will be to coach children in the skills they will need to run efficiently and over distance, to develop children's general physical fitness and well-being and to enable some children eventually to represent the school in running events.

**The running club will be held on Mondays from 3.30pm to 4.15pm. The club will start after half-term on Monday 22nd February 2016.**

I have spoken to the children today about this opportunity, the nature of what they will be doing each week and the amount of physical effort they will need to make in this club. Knowing all of this information, I am delighted that your child has expressed an interest in joining the running club.

Lots of other children also expressed an interest and there are a limited number of places available. If we do receive too many requests, the places will be allocated on a fair basis. Please note, your child will require suitable outdoor trainers and PE kit to be able to take part each week.

I am really pleased that your child wishes to participate in this new and exciting after school opportunity and they may find out they have a particular talent for this and other forms of athletics. If you are happy for them to join the new running club, please complete and return the attached slip by this Thursday 11<sup>th</sup> February 2016 as the available places will be allocated on that day. Due to likely demand, no late forms will be considered in the spirit of fairness.

Kind regards

Carol Hines
