Monday 1st February

Y4 visit to Pizza Express – Tuesday 9th February

Dear Parents,

As part of our Creative Curriculum, we will be visiting Pizza Express on the morning of Tuesday 9th February. The purpose of this visit is to learn about food hygiene and preparation. Children will make their own pizza to bring back to school and eat, and they will also take part in an ingredient tasting session. Following this, we will then use our experience to inspire us back in school, where we will eventually create our own seafood pizzas!

This visit will take place within the school morning, however please ensure that your child arrives to school on time as we will need to leave promptly after registration. Children will be back in school before lunchtime.

There is no cost for this visit and permission for this is covered by your local visits form which was signed at the start of the year.

If you have any further questions, please do not hesitate to contact me.

Kind regards,
Miss Kinchin
Y4 Teacher
