## **After School Clubs – Autumn Terms 2015**

Dear Parents

We are committed to providing a wide range of after school clubs for your children again this year and I am now pleased to advise you which clubs will be available for children from Y1 to Y6 during the Autumn terms on **Tuesdays**. We have consulted with the children and all teachers and some teaching assistants have kindly offered to lead or support an after school club this term based on their choices. There are an exciting range of opportunities for the children to take part in including ICT, French and gardening!

For all clubs, there will be a limited number of places available each term. I have therefore explained to the children in assembly today that they should consider the opportunities available for their year groups and then identify their 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> preferences from the choices on offer. We will then allocate places to the different clubs according to the number of places available. **We have explained the importance of commitment to attending every week once they have been offered a place at the club of their choice.**

Your child is bringing home a separate letter today providing details of the clubs available for their year groups. Please complete the reply slip indicating your child's preferences and return them to class teachers by this **Thursday 10<sup>th</sup> September 2015**. I will be allocating places to the various clubs next week and you will receive a letter on **Friday 11th September** confirming full details of the club your child is being offered this term. **All clubs will commence next Tuesday 15<sup>th</sup> September 2015.**

### **Hockey and Running Clubs at KS2**

There will also be additional opportunities for children in KS2 to attend running and hockey clubs this term on days other Tuesdays and details will follow soon in separate letters.

Kind regards

Carol Hines
