Creative Curriculum – Annual Permission Form

Dear parents

As our exciting Creative Curriculum is aimed at extending children's learning away from the classroom across a range of environments, there will be many opportunities throughout the year for your child/children to visit locations beyond the school premises and to experience a variety of foods and food preparation experiences.

So that we are not constantly bombarding you with permission forms, could you please complete as soon as possible the following annual consent form which will cover all low risk local visits, food tasting and food preparation activities?

You will be notified of any visits taking place outside of school premises and we will seek individual permission for any activities requiring transportation. We would also like to take this opportunity to update our pupil information records, so we would be grateful if you could also confirm your up to date contact details and any medical relevant medical information in respect of your child/children on the attached form and return it to us as soon as possible.

Kind regards

Mrs Michelle Giddings
Educational Visits Leader
