Class Photographs 2016

Dear parents

Our school photographs have once again been a great success this year and I am delighted that so many of you have told us how pleased you were with your children's individual and family group photographs.

For the third year running, we are now able to offer you the opportunity to buy a class photograph as a memory of your child's year in school. Parental permission has been given for all children included in the photograph. A copy of the class photograph is attached with details of how to order your copy should you wish to.

Please note all orders must be received with full payment by Monday 13th June 2016 in order for the photographs to be with you by the end of term.

Kind regards

Carol Hines
Headteacher
