Dear parents

## FUN DAY //

All children from Reception to Y6 have greatly enjoyed their Fun Day celebrations today. The event was arranged in recognition of their hard work and outstanding behaviour this year. Thank you for your parental contribution towards the costs of the entertainment the children have enjoyed today.

As the event has become very successful, we plan to end the next school year with some form of fun day for the children and following very helpful suggestions from parents, we will be exploring ways of fundraising to support the event throughout the year in partnership with you and the children.

### **After School Football from September 2015 – Y3 to Y6**

From September, we will be working in partnership with a new company to provide our after school football provision. I am delighted to advise you that Premier Sport will be offering an after-school football club for children from Y3 to Y6. It will be on Friday afternoons from 3.30pm to 4.30pm when our new term starts in September. The cost to parents will be £2.50 per session.

Lee Crockett will be the coach from Premier Sport who will be leading the new after school football club. Lee has led part of the fun day activities today so the children have had an opportunity to meet him and to enjoy football activities with him.

Premier Sport are associated with Premier Performing Arts who we currently work very successfully with for our singing and dance provision. We believe that Premier Sport will offer high quality football sessions for our children and we look forward to working with them next term.

Initially, there will only be 20 spaces available at the after school club. These will be offered on a first come, first served basis in September. To enable you and your child to decide if you wish to book one of the available places next term, Premier sport will be providing a **free 'taster' session on Friday 4<sup>th</sup> September 2015 from 3.30pm to 4.30pm.**

Both children and parents are welcome to attend this taster session. Parents will have the opportunity to meet the professional staff from Premier Sport while the children enjoy the free football session.

In order to plan for this first exciting after school event next term, we need to know the numbers of children who would like to attend this free taster session. Please complete the form below if your child will be joining us at this event and return it to school tomorrow. A reminder with full details will follow on the first day on next term, Thursday 3<sup>rd</sup> September 2015.

I look forward to seeing all children in school for the very last day of this school year tomorrow!

Kind regards

Carol Hines  
Headteacher
