Y6 'Easter Camp'

Dear Parents

As you know, all children in Y6 will be taking their end of Key Stage 2 statutory tests (SATs) in the week commencing 12th May 2014.

In order to support all of the children to achieve their potential in these tests, I have the opportunity to provide an 'Easter Camp' during the upcoming Easter holidays.

The Easter Camp will enable us to work with Y6 children during the first week of the Easter holidays between 7th and 11th April. The aim of the camp is to support the children in the final run up to their SATs in May and to maintain the learning momentum that can be lost during holidays. Experience has shown that additional support with learning during the holidays builds children's confidence in the run up to the SATs week. There is no charge at all to parents for this provision. Mr. Bloor will be leading the Easter camp with support from Mrs. Lake and Mrs Tubb.

All children in Y6 will be invited this year to attend some specific sessions to support them in various aspects of their learning. **The sessions for your child are noted below.** On the Wednesday and Friday afternoons there will be fun activities which will include a bouncy castle and a trip to the Cinema and a meal out for those children who attend **all** of the learning sessions they are asked to come to.

Providing this opportunity for your child requires staff commitment and their time, organisation and costs. I would therefore ask you to return the attached slip confirming that your child will be able to attend all of the sessions they have been invited to **before** I finalise the arrangements.

Once I am certain that sufficient numbers of parents have made a commitment to the offer of this valuable additional support with your child's learning, I will confirm the plans to you in writing.

Please will you complete and return the attached slip by this Friday 21st March to confirm that your child will be attending so that I make confirm final plans as soon as possible.

Kind regards

Carol Hines
