Year 3 – New Creative Curriculum Topic - A Moonlight Walk

Dear Parents

I am delighted to advise you that Y3 will be beginning our new Creative Curriculum topic, 'Are you afraid of the dark?' this term. I take pleasure in enclosing a summary of our planned learning for your information so that you may support your child's learning at home if you wish.

To begin our topic and to spark the children's interest, I am inviting them to stay after school on **Tuesday 3rd November 2015**, to take part in a moonlight walk around the school premises. The aim of this walk is to compare the school environment in the light and dark.

We are inviting the children to attend their after school clubs as normal on Tuesday until 4pm. For those children that do not attend an after school club, they will stay with me until this time. Between clubs and our walk, we will provide the children with a small snack and a drink. Our walk will commence at approximately 4.30pm. Children will need to be collected in the playground at 5.15pm.

Please complete and return the attached permission slip tomorrow morning confirming that your child can stay for our walk and that an adult will collect them at 5.15pm on the main playground. Please also ensure that your child has a warm coat and suitable footwear in school for this exciting opportunity which will include walking up onto the field and into our garden area.

Kind regards

Jodie Stanworth
