**Head Teacher – Mrs C Hines**

Monday 19<sup>th</sup> May 2014

Dear Parents

Today in assembly the children have learnt about an exciting sporting event which they are going to take part in on Tuesday 3<sup>rd</sup> June. The children are challenged to complete a fitness circuit made up of four challenging athletic events, attempting as many reps of each activity as they can in one minute.

To encourage them in this and to hold a special assembly afterwards we will be joined on this day by a very special guest: 3 times Olympian, bronze medal winner and former World Record holder for the 400m freestyle, Team GB former swimmer, Joanne Jackson.

We believe that this is a great opportunity for the children to meet an inspirational athlete, ask her some questions and to take on a sporting challenge of their own.

This event is also a chance to raise money for sports equipment to use in school and to support the work of Sports for School, who seek to raise the profile of sport in Britain and who in turn support children's charities.

Your child is bringing home a sponsorship form to help us raise money and if you feel you can support this activity we would be very grateful.

- Children raising over £5 in sponsorship will receive a blue Sports for School wrist band.
- Children raising over £15 will receive a red wrist band autographed by the athlete
- Children raising over £30 will receive an autographed A4 poster of their athlete.

The children will have up to a week after the event to collect and bring in their sponsor money.

Regardless of sponsorship raised we hope that everyone is going to have a very enjoyable and sporting day and test their own fitness. Everyone adults included will be taking part and we hope to have a lot of fun.

Yours truly

B. Bloor  
Deputy Headteacher
