Monday 23rd February 2015

Creation of 'The Burrows'

Dear Parents and carers,

Further to my recent letter regarding the planned creation of a woodland area on school field, I would like to thank those parents who have already volunteered to support with the planting of the trees on this Saturday 28th February 2015 between 10am and 12:30 pm.

Unfortunately however, we do not currently have sufficient numbers of adult volunteers to enable us to proceed with the plans at the moment. In view of this, I am hoping that many more of you will be able to spare us a couple of hours of your time on Saturday to support this positive home/school community event.

This is a really exciting project and another very positive development for our school community. We do still need lots of adult volunteers to plant the trees and we hope that you will be able to support us, either by helping yourself or perhaps asking for the support from family members or friends.

If you are able to volunteer, either with or without your child, please complete the attached slip below and return it to us as soon as possible. I will confirm if the event is able to go ahead later this week. I look forward to receiving your offers of help in the near future! If you are able to help and can bring your own spade that would help enormously as our school supply is limited.

Yours sincerely

Mrs Carol Hines
Headteacher
