Head Teacher – Mrs C Hines

Friday 23rd January 2015

For parents of Y6 only

Dear parents

As you know, your child is currently receiving weekly tuition in school from the music service to learn to play the ukulele. As they have been learning to play for some time, we are now able to offer you the opportunity for them to bring their instrument home each week to practice between their lessons.

Should you wish for your child to bring their instrument home, please complete the attached slip and return it to school by Thursday of next week. If we have received your reply, your child will bring their instrument home for the first time after their lesson next Thursday 29th January 2015.

If your child does bring their instrument home, I would ask that you support them to take appropriate care of it and to keep it in the case between each use. **You will need to ensure also that your child brings it to school each week on Thursdays or they will not be able to participate in their lessons in school.**

Kind regards

Carol Hines
Headteacher

Y6 Ukulele tuition

I would like my child to bring their ukulele home each week to practice. I will ensure that appropriate care is taken of the instrument at home and that my child brings it to school each Thursday for their lesson.
