Monday 6th June 2016

Celebration of Learning Event
Thursday 9th June 2016 - 6pm to 7.30pm

Dear Parents

I am very pleased to welcome everyone back to school after the half-term holiday and I hope that you all had an enjoyable week. I am now delighted to invite you all to our next Celebration of Learning Event this **Thursday 9th June 2016 between 6pm and 7.30pm**. I am looking forward to updating you on the progress of our exciting new curriculum and other important developments for our school.

As always however, our open events are intended mainly to be a celebration of your children's recent achievements and their opportunity for them to share them with you. There will be displays of children's work and an exciting range of activities for you to enjoy involving all children from YN to Y6. Your children are very excited about next week and cannot wait to share their successes with you so I do hope that you will all come along and support them.

The main event of the evening will be the opening of a wonderful new Gallery Exhibition by Y5. The children will be showcasing the outcomes of their exciting creative curriculum work this term. They have been busy planning the exhibition over the last few weeks and are very excited about revealing the fantastic display of their learning next week.

There will also be a performance by our fantastic Young Voices choir.

Please note that all children from Y5 and the Young Voices choir are required at the event and separate letters for them with full details of the arrangements are being sent home today.

The programme for the evening will be as follows:

- **6pm - Presentation for parents in the main hall**
Mrs Carol Hines and Mr Mark Kieran – Chair of Governors
- **6.20pm - Choir Performance**
- **6.30pm - The opening of Y5 Gallery Exhibition**
- **An opportunity to view displays of pupil achievements from throughout the school and to take part in various learning activities**

From 6.30 pm onwards, you will be able to enjoy displays of your children's work and take part in a range of learning activities with your children including:

- **Y5 – Gallery Opening –**
- **Y4 – Ruthless Romans – Cracking the code and magical mosaics**
- **Y3 – Super Sunflowers**
- **Y1/2 – It's a Bugs Life**
- **YR – Up the Beanstalk**
- **YN – New Life – Chirpy**

Our Y6 pupils will be supporting the event in a range of ways as they near the end of their primary school journey with us. You will also be have an informal opportunity to chat to myself, other staff and our Governors about any matters of interest arising from the presentation and more generally about our parent and school partnership and our ambitions to further improve our school.

This event is another occasion for you to be able to celebrate your children's achievements with them and to share your views and thoughts about the future of our school. I do hope that many of you will be able to join us.

We will once again offer a crèche during the main presentation at 6pm for pre-school children. The presentation and choir performance should last approximately 30 minutes after which time you would be able to collect your younger children. If you do wish to bring pre-school children to the Open Evening, please complete the section on the attached reply slip so that we can plan for numbers.

Finally, we would be grateful if you would complete the attached slip indicating how seats you will need and return it to us tomorrow. **We are expecting very high demand for seats for the event so please return your slip as soon as possible.** The children and staff are really excited about our Celebration of Learning Event and we all look forward to welcoming you.

Kind regards

Carol Hines
Headteacher
