Choir Practice – Tuesdays 3.15pm to 4pm

Dear Parents

I am inviting all children in KS2 to join our school choir this term. The choir club has moved to Tuesdays from 3.15pm to 4pm and will be led this term by Stuart Hancock of Premier Performing Arts with my support.

I am delighted to advise you that we have been successful once again in securing a place for our choir at the Young Voices concert in Birmingham in January 2016. If your child might wish to take part in this exciting opportunity next January, they will need to commit to attending choir practice every Tuesday during the summer terms. **Places at the concert are limited and so commitment to attending the club on Tuesdays will be taken into account when allocating places in the autumn.**

I hope that all of our current Y6 choir members continue to attend choir club on Tuesdays during their remaining time with us to support our new younger members. We will also be performing at one or two events between now and the end of this school year and their experience will be highly valued.

If your child intends to continue as a choir member or now wishes to join, please complete and return the attached slip and return it to me by this Thursday 23rd April 2015.

If your child is an existing choir member and I **do not** receive this reply slip, I will assume they no longer wish to be in the choir.

The first choir club will take place on Tuesday 28th April 2015. I will confirm places at choir to you on Friday.

Kind regards

Carol Hines
Headteacher
