Dear Parents

## Home/School Agreement - 2015

I am pleased to enclose our Home/School agreement for annual signature by parents. A copy is attached to this letter and we would be grateful if you could sign and return one for each of your children by Friday 16<sup>th</sup> October 2015.

When we receive the signed copies back from parents we will be reminding children of their commitment to keeping the pupil promises in class based sessions. It is at this point that we will be asking children in KS2 to sign their agreement so please do not ask the children to sign the document at home.

Our Home/School agreement is a very important element of our positive partnership with you and your children, to ensure that we provide the best possible education for all of our pupils. We look forward to receiving the signed copies in the near future and thank you for your support with this matter.

## A request for support

Concerns have been raised with me by some residents of Christchurch Close about parking in their street by some parents when dropping off and collecting children from our school. The concerns relate to noise, inconsiderate parking in front of the resident's properties and some issues regarding the safety of pupils on the roads when vehicles are moving. I appreciate that for those of you who do have to bring your children to school by car, finding somewhere suitable to park is a challenge due to the need for safety precautions for all children as they enter or leave our school site.

However, I am sure that you will appreciate the importance of being courteous and helpful to local residents in the area when you do park near their properties. I would greatly welcome your parental support with this important matter for the sake of the positive reputation of our school community, which we all value.
