Summer Term Newsletter

Dear Parents

Celebration of Learning Event

I would like to thank all parents who joined us for last Thursday's Celebration of Learning Event. Your support for this celebration of your children's achievements was fantastic and was greatly valued by myself, the staff and children alike. I would be very grateful if you did attend the event, if you would take a few moments to complete the attached feedback form and return it to me with your comments. I plan to share these with your children so that they have the opportunity to hear about the views of their parents and other family members about their performances and shared learning opportunities they worked so hard on for the evening.

Statutory Assessments – KS1

We hope to see all Y1 and Y2 children in school every day during the next two weeks as they are completing statutory assessments including the phonics screening check in Y1.

A Polite Request

As you know, we are unable to allow dogs onto the school site for health and safety reasons. If you do have a dog with you when dropping off your children at school, I would greatly appreciate your support with waiting a reasonable distance from any entrance to the school site so all children and parents may enter the premises. Many thanks for your co-operation.

Croft Farm Trip for Y5/6

A polite reminder that full and final payments for children attending the Y5/6 residential trip to Croft Farm between Friday 10th and Monday 13th July are due by Friday 26th June 2015 at the latest.

Our Summer Fair and BBQ

We will be holding our end of term summer fair and BBQ on **Thursday 16th July from 5.30pm to 7pm**. We would be delighted if any parents would like to have a stall at the summer fair. If you are interested in booking a stall for the event, please pop in to see Mrs Martin to complete or collect a booking form as soon as possible. Also, if you know of anyone who may be interested in having a stall, please feel free to advise them to call into school to complete a booking form.

Kind regards

Carol Hines
