Our Celebration of Learning Event – Thursday 20th November 2014

I would like to thank you all for your fantastic support for our Celebration of Learning Event last Thursday. Having so many parents attend was really motivational for the children and staff and the children were so proud to showcase their learning achievements for you all. There is some amazing work on display in the new Y4 Literacy Gallery with lots of wonderful photographs of the children involved in their exciting new creative curriculum. If you were unable to attend on Thursday, I do hope that you find some time to come and enjoy the Gallery exhibition. We will all now look forward to the next celebration of learning event in the spring term!

School Holiday Provision – Friday 19th December 2014

Thank you to those parents who have returned their slips confirming that you would like to book a place at the one day creative workshop on Friday 19th December between 9.30 and 3.30pm with Premier Performing Arts here at school if it is available.

This is the company which provide our vocal coaching and they will be offering an action packed day of dancing and singing on that day with experienced tutors. The cost of the event will be subsidised by school and will therefore be available to parents at a very low cost of £5 for the whole day. I am enclosing an information leaflet which gives you full details of the plans for the day.

There will have to be a minimum number of children to make the event worthwhile. At the moment we, do not sufficient numbers of children. I do hope you are able to take advantage of this offer of a full day of creative and fun holiday activities for your child/children and look forward to receiving final replies by tomorrow on the attached slip if you would like to book a place at this workshop.
