Dear Parent

Thank you for attending parent's evening today. These opportunities to talk to your child's teacher are extremely important so that you know how well your child is doing in school and what we can do together to support them to do even better.

At today's meeting we have shared with you how well your child is achieving in relation to their age in key areas such as reading, writing and maths.

We have also talked to you about whether they are making the progress we would expect them to be making and if not what we are doing to support them to make more progress in their learning.

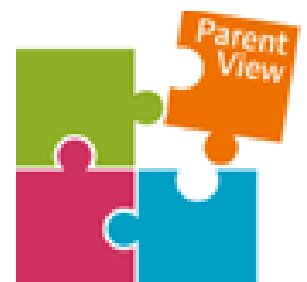

It is important to us that you share your views following parent's evenings and I would be grateful if you could visit Parent View by following the link below and completing the short questionnaire.

Kind regards

Carol Hines  
Headteacher
