Condover Hall - Residential Visit 10th to 13th July 2015

Dear Parents

Following our return from the Condover trip, I would like to express how proud we should be of all of the children who took part in the visit this year. You will be pleased to know that your child's behaviour was exemplary and that they were a real credit to you and to our school.

The children helped and supported each other brilliantly through some physically and mentally demanding challenges and I think that everyone who took part beat many of the personal goals that they had set themselves and conquered some fears along the way.

I know that you will wish to join me in expressing our thanks to Mrs Lake, Ms Rowe, Mrs Giddings, Mrs Greenwood, Ms Fisher and Mrs Butcher who gave up their own time willingly to support your child on this trip. They too were brilliant and I think the children really appreciated having their support with the activities and to look after them throughout the weekend.

We will aim to have lots of photographs of the trip on the gallery section of our website and on the TV at the Reception desk by Monday 20th July so please do visit the website and/or stop by to take a look.

Yours truly

Ben Bloor
