Road Safety Session for Y6 – Monday 6th October 2014

Dear Parents

On Monday 6th October the children in Y6 have the opportunity to attend a road safety workshop at the Stamford Welland Academy (formerly QE) from 1.15-2.15.

This workshop will teach the children about the potential dangers from heavy goods vehicles to pedestrians and cyclists. The children will be able to climb inside the cab and see the road from the driver's perspective. This links well with the cycling proficiency which many Y6 children will be taking part in shortly.

As the event takes place wholly in school time there is no permission slip to sign and this letter is for information only.

Yours truly

B. Bloor
Deputy Headteacher
