Sport Relief – Friday 21st March 2014

Dear Parents

A reminder that we will be supporting Sport Relief tomorrow. All classes from Reception to Y6 will be challenging themselves with a fitness session during their P.E. slots supported by our P.E. coach Kate Rasell in order to raise money to support this event.

The Nursery children will also be taking part but will complete their fitness challenge in the nursery setting sometime during the day.

We will be considering why we have Sports Relief Day with the children throughout the week in assembly and in lessons and highlighting for them why it is such a valuable event for us to support. If you wish to share further information with them, you can visit the website at www.sportrelief.com.

As the fundraising efforts will take place during usual school based P.E. slots this Friday, there is no preparation needed from parents. All we ask is that each family makes a £1 donation to our collection fund on Friday for Sport Relief. You are of course welcome to make a bigger donation if you wish to.

I am sure we will have a fun fitness day on Friday and we will be raising money for a very worthwhile charity at the same time. We will let you know how much money we raise in due course and share some photographs of the event with you afterwards.

Thank you for your support.

Kind regards

Carol Hines
Headteacher
